Many of these strips exist stamped **CANCELLED** and are being supplied by a dealer in Holland. He is selling nothing else, and many of his offerings have been previously recorded ***without*** the stamped overprint. I have been systematically eliminating these strips as forgeries.

The following strip is a remnant. It has probably been scissor-clipped from an unfinished imperforate sheet. Since it was not a production item, I feel that it is preferable to simply list it without a separate catalogue number.

1/2 pound, “Windsor” [**G 53**], green, *without* control numbering, *imperforate*,
lithographed on *block watermarked* vertical mesh wove paper
